

Privacy Policy

This Privacy Notice for Family Tracker ("we," "us," or "our"), describes how and why we might access, collect, store, use, and/or share ("process") your personal information when you use our services ("Services"), including when you:

- Download and use our mobile application (Family Tracker), or any other application of ours that links to this Privacy Notice
- Engage with us in other related ways, including any sales, marketing, or events

Questions or concerns? Reading this Privacy Notice will help you understand your privacy rights and choices. We are responsible for making decisions about how your personal information is processed. If you do not agree with our policies and practices, please do not use our Services. If you still have any questions or concerns, please contact us at familytracker@gmail.com.

SUMMARY OF KEY POINTS

This summary provides key points from our Privacy Notice, but you can find out more details about any of these topics by clicking the link following each key point or by using our table of contents below to find the section you are looking for.

What personal information do we process? When you visit, use, or navigate our Services, we may process personal information depending on how you interact with us and the Services, the choices you make, and the products and features you use. Learn more about personal information you disclose to us.

Do we process any sensitive personal information? Some of the information may be considered "special" or "sensitive" in certain jurisdictions, for example your racial or ethnic origins, sexual orientation, and religious beliefs. We may process sensitive personal information when necessary with your consent or as otherwise permitted by applicable law. Learn more about sensitive information we process.

Do we collect any information from third parties? We may collect information from public databases, marketing partners, social media platforms, and other outside sources. Learn more about information collected from other sources.

How do we process your information? We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law. We may also process your information for other purposes with your consent. We process your information only when we have a valid legal reason to do so. Learn more about how we process your information.

In what situations and with which types of parties do we share personal information? We may share information in specific situations and with specific categories of third parties. Learn more about when and with whom we share your personal information.

How do we keep your information safe? We have adequate organizational and technical processes and procedures in place to protect your personal information. However, no electronic transmission over the internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information. Learn more about how we keep your information safe.

What are your rights? As a user located in the Philippines, your personal information is protected under the Data Privacy Act of 2012. You have the right to be informed, to access your data, to object to processing, to rectify inaccuracies, to erase or block data, and to be indemnified for damages in case of misuse. Our system respects and upholds these rights by ensuring transparency, secure data handling, and user control over personal information.

How do you exercise your rights? The easiest way to exercise your rights is by submitting a data subject access request, or by

contacting us. We will consider and act upon any request in accordance with applicable data protection laws.

I. WHAT INFORMATION DO WE COLLECT?

Personal information you disclose to us

In Short: *We collect personal information that you provide to us.*

We collect personal information that you voluntarily provide to us when you register on the Services, express an interest in obtaining information about us or our products and Services, when you participate in activities on the Services, or otherwise when you contact us.

Personal Information Provided by You. The personal information that we collect depends on the context of your interactions with us and the Services, the choices you make, and the products and features you use. The personal information we collect may include the following:

- names
- phone numbers
- email addresses
- usernames
- passwords
- contact preferences
- contact or authentication data

Sensitive Information. When necessary, with your consent or as otherwise permitted by applicable law, we process the following categories of sensitive information:

- biometric data

Social Media Login Data. We may provide you with the option to register with us using your existing social media account details, like your Facebook, Google, or other social media account. If you choose to register in this way, we will collect certain profile information about you from the social media provider, as described in the section called "HOW DO WE HANDLE YOUR SOCIAL LOGINS?" Below.

Application Data. If you use our application(s), we also may collect the following information if you choose to provide us with access or permission:

- *Mobile Device Access.* We may request access or permission to certain features from your mobile device, including your mobile device's contacts, SMS messages, social media accounts, location, and other features. If you wish to change our access or permissions, you may do so in your device settings.
- *Mobile Device Data.* We automatically collect device information (such as your mobile device ID, model, and manufacturer), operating system, version information and system configuration information, device and application identification numbers, browser type and version, hardware model Internet service provider and/or mobile carrier, and Internet Protocol (IP) address (or proxy server). If you are using our application(s), we may also collect information about the phone network

associated with your mobile device, your mobile device's operating system or platform, the type of mobile device you use, your mobile device's unique device ID, and information about the features of our application(s) you accessed.

- *Push Notifications.* We may request you to send you push notifications regarding your account or certain features of the application(s). If you wish to opt out from receiving these types of communications, you may turn them off in your device settings.

This information is primarily needed to maintain the security and operation of our application(s), for troubleshooting, and for our internal analytics and reporting purposes.

All personal information that you provide to us must be true, complete, and accurate, and you must notify us of any changes to such personal information.

Information automatically collected

In Short: Some information — such as your Internet Protocol (IP) address and/or browser and device characteristics — is collected automatically when you visit our Services.

We automatically collect certain information when you visit, use, or navigate the Services. This information does not reveal your specific identity (like your name or contact

information) but may include device and usage information, such as your IP address, browser and device characteristics, operating system, language preferences, referring URLs, device name, country, location, information about how and when you use our Services, and other technical information. This information is primarily needed to maintain the security and operation of our Services, and for our internal analytics and reporting purposes.

Like many businesses, we also collect information through cookies and similar technologies.

The information we collect includes:

- **Log and Usage Data.** Log and usage data is service-related, diagnostic, usage, and performance information our servers automatically collect when you access or use our Services and which we record in log files. Depending on how you interact with us, this log data may include your IP address, device information, browser type, and settings and information about your activity in the Services (such as the date/time stamps associated with your usage, pages and files viewed, searches, and other actions you take such as which features you use), device event information (such as system activity, error reports (sometimes called "crash dumps"), and hardware settings).

- **Device Data.** We collect device data such as information about your computer, phone, tablet, or other device you use to access the Services. Depending on the device used, this device data may include information such as your IP address (or proxy server), device and application identification numbers, location, browser type, hardware model, Internet service provider and/or mobile carrier, operating system, and system configuration information.
- **Location Data.** We collect location data such as information about your device's location, which can be either precise or imprecise. How much information we collect depends on the type and settings of the device you use to access the Services. For example, we may use GPS and other technologies to collect geolocation data that tells us your current location (based on your IP address). You can opt out of allowing us to collect this information either by refusing access to the information or by disabling your Location setting on your device. However, if you choose to opt out, you may not be able to use certain aspects of the Services.

Google API

Our use of information received from Google APIs will adhere to Google API Services User Data Policy, including the Limited Use requirements.

Information collected from other sources

In Short: We may collect limited data from public databases, marketing partners, social media platforms, and other outside sources.

In order to enhance our ability to provide relevant marketing, offers, and services to you and update our records, we may obtain information about you from other sources, such as public databases, joint marketing partners, affiliate programs, data providers, social media platforms, and from other third parties. This information includes mailing addresses, job titles, email addresses, phone numbers, intent data (or user behavior data), Internet Protocol (IP) addresses, social media profiles, social media URLs, and custom profiles, for purposes of targeted advertising and event promotion.

If you interact with us on a social media platform using your social media account (e.g., Facebook or X), we receive personal information about you from such platforms such as your name, email address, and gender. You may have the right to withdraw your consent to process your personal information. Learn more about withdrawing your consent. Any personal information that we collect from your social media account depends on your social media account's privacy settings. Please note that their own use of your information is not governed by this Privacy Notice.

II. HOW DO WE PROCESS YOUR INFORMATION?

In Short: We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law. We may also process your information for other purposes with your consent.

We process your personal information for a variety of reasons, depending on how you interact with our Services, including:

- **To facilitate account creation and authentication and otherwise manage user accounts.** We may process your information so you can create and log in to your account, as well as keep your account in working order.
- **To respond to user inquiries/offer support to users.** We may process your information to respond to your inquiries and solve any potential issues you might have with the requested service.
- **To enable user-to-user communications.** We may process your information if you choose to use any of our offerings that allow for communication with another user.
- **To request feedback.** We may process your information when necessary to request feedback and to contact you about your use of our Services.

- **To comply with our legal obligations.** We may process your information to comply with our legal obligations, respond to legal requests, and exercise, establish, or defend our legal rights.

III. **WHEN AND WITH WHOM DO WE SHARE YOUR PERSONAL INFORMATION?**

In Short: We may share information in specific situations described in this section and/or with the following categories of third parties.

Vendors, Consultants, and Other Third-Party Service Providers. We may share your data with third-party vendors, service providers, contractors, or agents ("third parties") who perform services for us or on our behalf and require access to such information to do that work. We have contracts in place with our third parties, which are designed to help safeguard your personal information. This means that they cannot do anything with your personal information unless we have instructed them to do it. They will also not share your personal information with any organization apart from us. They also commit to protect the data they hold on our behalf and to retain it for the period we instruct.

The categories of third parties we may share personal information with are as follows:

- Ad Networks

- Data Storage Service Providers
- Data Analytics Services

We also may need to share your personal information in the following situations:

- **Business Transfers.** We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.
- **When we use Google Maps Platform APIs.** We may share your information with certain Google Maps Platform APIs (e.g., Google Maps API, Places API). We use certain Google Maps Platform APIs to retrieve certain information when you make location-specific requests. This includes: _____; and other similar information. A full list of what we use information for can be found in this section and in the previous section titled "HOW DO WE PROCESS YOUR INFORMATION?" Google Maps uses GPS, Wi-Fi, and cell towers to estimate your location. GPS is accurate to about 20 meters, while Wi-Fi and cell towers help improve accuracy when GPS signals are weak, like indoors. This data helps Google Maps provide directions, but it is not always perfectly precise. We obtain and store on your device ("cache") your location. You may revoke your consent anytime by contacting us at the contact details provided at the end

of this document. The Google Maps Platform APIs that we use store and access cookies and other information on your devices. If you are a user currently in the European Economic Area (EU countries, Iceland, Liechtenstein, and Norway) or the United Kingdom, please take a look at our Cookie Notice.

- **Other Users.** When you share personal information or otherwise interact with public areas of the Services, such personal information may be viewed by all users and may be publicly made available outside the Services in perpetuity. If you interact with other users of our Services and register for our Services through a social network (such as Facebook), your contacts on the social network will see your name, profile photo, and descriptions of your activity. Similarly, other users will be able to view descriptions of your activity, communicate with you within our Services, and view your profile.

IV. DO WE USE COOKIES AND OTHER TRACKING TECHNOLOGIES?

In Short: We may use cookies and other tracking technologies to collect and store your information.

We may use cookies and similar tracking technologies (like web beacons and pixels) to gather information when you interact with our Services. Some online tracking technologies help us maintain the security of our Services

and your account, prevent crashes, fix bugs, save your preferences, and assist with basic site functions.

We also permit third parties and service providers to use online tracking technologies on our Services for analytics and advertising, including to help manage and display advertisements, to tailor advertisements to your interests, or to send abandoned shopping cart reminders (depending on your communication preferences). The third parties and service providers use their technology to provide advertising about products and services tailored to your interests which may appear either on our Services or on other websites.

Specific information about how we use such technologies and how you can refuse certain cookies is set out in our Cookie Notice.

V. HOW DO WE HANDLE YOUR SOCIAL LOGINS?

In Short: If you choose to register or log in to our Services using a social media account, we may have access to certain information about you.

Our Services offer you the ability to register and log in using your thirdparty social media account details (like your Facebook or X logins). Where you choose to do this, we will receive certain profile information about you from your social media provider. The profile information we receive may vary depending on the social media provider

concerned, but will often include your name, email address, friends list, and profile picture, as well as other information you choose to make public on such a social media platform.

We will use the information we receive only for the purposes that are described in this Privacy Notice or that are otherwise made clear to you on the relevant Services. Please note that we do not control, and are not responsible for, other uses of your personal information by your third-party social media provider. We recommend that you review their privacy notice to understand how they collect, use, and share your personal information, and how you can set your privacy preferences on their sites and apps.

VI. HOW LONG DO WE KEEP YOUR INFORMATION?

In Short: We keep your information for as long as necessary to fulfill the purposes outlined in this Privacy Notice unless otherwise required by law.

We will only keep your personal information for as long as it is necessary for the purposes set out in this Privacy Notice, unless a longer retention period is required or permitted by law (such as tax, accounting, or other legal requirements). No purpose in this notice will require us keeping your personal information for longer than one (1) months past the termination of the user's account.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

VII. HOW DO WE KEEP YOUR INFORMATION SAFE?

In Short: We aim to protect your personal information through a system of organizational and technical security measures.

We have implemented appropriate and reasonable technical and organizational security measures designed to protect the security of any personal information we process. However, despite our safeguards and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information. Although we will do our best to protect your personal information, transmission of personal information to and from our Services is at your own risk. You should only access the Services within a secure environment.

VIII. WHAT ARE YOUR PRIVACY RIGHTS?

In Short: You may review, change, or terminate your account at any time, depending on your country, province, or state of residence.

Withdrawing your consent: If we are relying on your consent to process your personal information, which may be express and/or implied consent depending on the applicable law, you have the right to withdraw your consent at any time. You can withdraw your consent at any time by contacting us by using the contact details provided in the section "HOW CAN YOU CONTACT US ABOUT THIS NOTICE?" below.

However, please note that this will not affect the lawfulness of the processing before its withdrawal nor, when applicable law allows, will it affect the processing of your personal information conducted in reliance on lawful processing grounds other than consent.

Account Information

If you would at any time like to review or change the information in your account or terminate your account, you can:

- Log in to your account settings and update your user account.

Upon your request to terminate your account, we will deactivate or delete your account and information from our active databases. However, we may retain some information in our files to prevent fraud, troubleshoot problems, assist with any investigations, enforce our legal terms and/or comply with applicable legal requirements.

If you have questions or comments about your privacy rights, you may email us at familytracker@gmail.com.

IX. CONTROLS FOR DO-NOT-TRACK FEATURES

Our application is designed exclusively for Android mobile devices and does not operate through web browsers. As such, browser-based Do-Not-Track (DNT) signals are not applicable to our system. While Android may offer certain privacy settings at the device level, our application does not currently respond to automated DNT signals or similar mechanisms. If future Android standards introduce a unified approach to mobile tracking preferences, we will update this Privacy Notice accordingly.

X. DO WE MAKE UPDATES TO THIS NOTICE?

In Short: Yes, we will update this notice as necessary to stay compliant with relevant laws.

We may update this Privacy Notice from time to time. The updated version will be indicated by an updated "Revised" date at the top of this Privacy Notice. If we make material changes to this Privacy Notice, we may notify you either by

prominently posting a notice of such changes or by directly sending you a notification. We encourage you to review this Privacy Notice frequently to be informed of how we are protecting your information.

XI. HOW CAN YOU CONTACT US ABOUT THIS NOTICE?

If you have questions or comments about this notice, you may email us at familytracker@gmail.com or contact us by post at:

Family Tracker Philippines

XII. HOW CAN YOU REVIEW, UPDATE, OR DELETE THE DATA WE COLLECT FROM YOU?

In accordance with the Data Privacy Act of 2012, users have the right to access the personal information collected by the system, request corrections to any inaccuracies, and request deletion of their data. Users may also withdraw their consent to the processing of their personal information at any time. These rights may be subject to certain limitations under applicable law. To exercise these rights, users may submit a formal Data Subject Access Request through the designated contact method provided in the system.
